Roman amphitheater

We visited the ruins of the Ancient Roman amphitheater in the city. A long time ago, people used it for musical shows, meetings, and plays. It was interesting to visit somewhere so old! It was fun to be in Alexandria because there are lots of things to see and do. Over 3.5 million people live here so there's a lot of traffic. There are bike paths in some parts of the city and you can rent bikes to travel around, but we traveled by tram. It was easy and cheap and we saw lots of different places. I can't wait to visit the city again soon!
